BAR HILL NEWS

February 2016; Issue 567

MODERN DAY SLAVERY

Yes, it exists even in respectable South Cambridgeshire!
This terrible situation begins when people see others as commodities, resulting in abduction or deception and false promises. Denied their freedom, victims may be threatened with violence to themselves or their family if they try to escape. Consequently they are fearful of the police and other authorities, who are actually keen to uncover this crime and help the victims.
By being aware of the signs, we can be alert and potentially spot signs of slavery and be the first step to their freedom...

...because it could be going on closer than we think.

General indicators include:
- **restricted, escorted movement**
- **signs of physical and mental abuse**
- **poor health, malnourished**
- **inadequate clothing – not warm or waterproof**
- **anxious, fearful of eye contact**
- **reluctant to engage in conversation.**

Forced Labour
Victims may have been 'loaned' money for travel to a job but deductions for food and accommodation mean they are paid little or nothing and are permanently in debt.
They may experience:
- threat or actual physical harm
- restriction of movement or total confinement
- withholding of documents e.g. passport
- dangerous work conditions
- excessive work hours
- overcrowded, damp accommodation
- inadequate food
- threat of revealing to authorities an irregular immigration status.

Sexual Exploitation
Ordinary housing/hotels are increasingly being used for brothels.
Victims may:
- be moved between brothels
- have a limited amount of clothing, of which a large proportion is sexual
- be dominated by a male companion.

Domestic Servitude
Forced labour, living and working in a private home.
They may:
- have no proper sleeping place
- be forced to work excessive hours; "on call" 24 hours a day
- always be escorted by the 'employer'
- be malnourished.

Child Abuse
Sexual services in exchange for a favour such as alcohol, drugs or gifts.
You may notice a child that:
- often goes missing/truanting
- is secretive
- has unexplained money/presents
- uses vehicles with unknown, older adults
- shows evidence of physical harm
- shows signs of low self image/self harm.

Criminal Activities
Victims are forced/deceived into criminal activity such as pick pocketing, begging, cannabis cultivation and benefit fraud.
Similar to Forced labour, but for cannabis cultivation you may also notice:
- windows of property are permanently covered from the inside
- visits to property are at unusual times
- unusual noises from the property e.g. machinery
- pungent smells around the property.

The police are committed to safe guarding all vulnerable people, including victims of slavery. To report any suspicions dial 101 or report via Crimestoppers at www.crimestoppers-uk.org.

It doesn't matter if you are wrong – because what if you are right?

Deadline for March's edition is 15th February 2016 to bhneditor@yahoo.com, or see page 2 for other contact details.

– HAPPY HOURS –

Catching up from November and December seems a long time ago but HAPPY NEW YEAR to all our readers.

Our collection in lieu of Christmas cards raised £30, which was sent to Alzheimers Research at Granta Park.

At our last club day, we had the pleasure of 20 children from Bar Hill School to sing some delightful songs for us, which everyone enjoyed. Many thanks to the School and Teacher.

Our Christmas lunch was held as usual at the Hotel where we were treated royally, with a lovely traditional lunch followed by musical entertainment by Tony Jacks, including some dancing. Our special Christmas raffle included gifts donated by Cambridge Building Society and Dobbies among others, and Tesco gave a lovely plant to all our lady members. Many, many thanks to all those mentioned. You helped make a really special day for our members.

One of our old members, Daisy Baytup, who now lives at Bramley Court, Histon, reached the grand age of 100 on New Years Day, it was a great pleasure to take a card signed by all members and a bunch of flowers to her, the first of our members to reach this age.

We would welcome new members – our club starts at 11am until 3pm with coffee, tea and light lunches. Our aim is to provide friendship and companionship.

For the Age UK Visiting Scheme call 0300 666 9868; for Silverline call 0800 470 80 90 – especially for those who are lonely.

– NEIGHBOURHOOD WATCH –

I'll huff, and I'll puff,
And I'll blow your house down
(or, I'll get into your house somehow).

Could the Big, Bad Wolf get into your home?
Cambridgeshire Police have launched Operation Hunter, an anti-burglary operation in South Cambs, and are giving residents the opportunity to check if their property is at risk. They have created The Bad Wolf Test, a short online quiz that will use your location and property details to evaluate how secure it is. It only takes a few minutes and gives a rating for your house against burglars – whether it is made of bricks, twigs or straw. Then if your home security needs improving they point you in the right direction for help.

Take the quiz at http://tinyurl.com/bad-wolf-test or, if you don't have access to a computer, ring 101 and ask for advice from the Crime Reduction Officer.

Don't let yourself be caught out – no-one wants to have their home broken into, and you can take steps to minimise the possibility.

AND did you see our Neighbourhood Watch publicity leaflet in early December? Are you in a street where NHW still needs a named contact? It's not an arduous job so please consider it. For more details email nhwinbarhill@yahoo.co.uk or ring 01954 201001.

Dear Editor
I work for a documentary production company called The Garden. We make popular and well-respected TV documentaries like 24 Hours in A&E on Channel 4 and Inside Claridge's on BBC Two.
I'm getting in touch with you about a new series we're producing which will be presented by Anne Robinson, following on from her hugely successful series on BBC1 'Britain's Spending Secrets'. Anne now wants to explore the world of work by speaking to lots of people in different careers to try and answer the question 'Does work make you happy?'. Anne will meet a diverse group individuals with varying careers, from nurses to millionaires, bin men to bankers and explore the link between work and happiness and our attitudes to work and happiness.
We are in the early stages of casting and would love to hear from people who might want to take part in the programme. What is the secret to a happy working life? Is everyone paid what they are worth? Maybe you know someone who loves their job? Or loathes it? Do you have an interesting, unique or dangerous job?
We would love to hear from anyone interested in this opportunity. Please do not hesitate to get in touch by e-mail: work@thegardenproductions.tv; or by phone: 020-7261 1252.
Many thanks
Owen Griffiths, The Garden, One America Street, London SE1 0NE

Dear Editor
May I please express my sincere thanks to the two young gentlemen who so kindly came to my aid recently when my motorised scooter broke down outside my bungalow. Unfortunately I did not get their names, and I was most embarrassed when, having carried it all the way to my garage to put it away, they then managed to get it started for me, and I didn't ask their names.
Many, many thanks Lads!

BAR HILL'S GOLDEN JUBILEE

Bar Hill's official fiftieth birthday will be on 1st April 2016. The area comprising Bar Hill was severed from Dry Drayton and became a parish in its own right on 1st April 1966.

It had been the intention that the 2016 Fete should commemorate the occasion. However, previous commemorations have been celebrated when the first residents moved into the village in May 1967.

It has been decided, therefore, to delay the Golden Jubilee Fete until 2017. Hopefully residents and village organisations will also hold special events in April to mark the village's official Jubilee.

Also a big thank you to all who helped to make the market a friendly place to come in 2015, whether to spend, or have coffee and a chat. I look forward to seeing you all in 2016.

If you wish to be part of this market, either having a stall to sell your own crafts or if you are an organisation who wishes to fund raise, then please contact me on bar.hill.community.market@gmail.com.

Dear Editor

It was lovely to see that a resident of Bar Hill wrote regarding the old skate park site. At last someone has acknowledged the impact of not having the skate park anymore! The youngsters have been left absolutely devastated by the park being ripped down, leaving them with nowhere to go.

I think the Parish Council should be ashamed of themselves at the way they went about ripping it down and not listening to the young people of Bar Hill. The skate park was somewhere for young people to go, getting them out in the fresh air and exercising. Instead they are now left to ride "street" around the village getting asked to move on as they are causing aggravation. Come on villagers and Parish Council, do something for the young people of Bar Hill and get the skate park back! I know that all the young riders in the village will help in any way they can to get this project started!!

Nicola Webb, Hollytrees

Dear Editor

I must comment on G. Caswell's letter in December's Bar Hill News about the skate park. Although I'm a Parish Councillor my comments are made as a resident. Because of vandalism and other issues, the site was deemed to be unsafe. This was information the Parish Council received, so they had no option but to clear the site and shut the park.

You don't have to be a Sherlock Holmes to work out who was responsible for the problems, but without evidence how do you charge anybody with criminal damage? That's what worries me if the skate park is replaced. Who's to say it wouldn't happen again and more of our money would be thrown away?

Instead of berating the Parish Council and being "a rider in the stand" how does G. Caswell suggest the Parish Council afford a replacement skate park given it will cost £40–60,000?

John Doland, Hanover Close

Dear Editor

Working together – Community safety and awareness

Now that work activity has increased on the A14 Improvement Scheme we thought it seemed timely to remind you that employees working on the scheme are not authorised to offer services door to door.

Highways England and it's delivery partners do not authorise any of its employees to cold call on residents to offer services. If in doubt, as with any cold callers, do consider reporting them to the police on the non-emergency contact number **101** (unless it is an emergency, in which case it would be 999).

Kind regards

Penny Fletcher, Senior Communications & Engagement Manager, Highways England

Dear Editor

We would like to thank everyone that attended our **Pink and White Charity Disco** at the Social Club last year. We raised a massive £1,810 for Breast Cancer Now, a charity close to many hearts. This was added to our marathon target of £2,000 which we exceeded and totalled £2,660!

This year we are running the marathon again but for **three** charities, Breast Cancer Now, Papworth Hospital and Alzheimer's Research UK, with a massive target of £5,000. We'll be running two half-marathons and the full London marathon.

To achieve our fundraising total we are holding a **'James Bond Casino and Disco Night'** on **25th March 2017** from **7pm** till **midnight** at **Hallmark Hotel**. Tux and evening dresses. Your ticket includes BBQ, Disco and 'funny money' to gamble with, all for **£40**. Tickets from Dom [domcarminati@icloud.com] or Danny [Danny_carminati@hotmail.com]. If you can't come but would like to donate, please see our page: www.virginmoneygiving.com/team/domanddannyc

Thank you again

Dom and Danny

THANK YOU EVERYONE

A big pat on the back to everyone who bought a Bar Hill Dogs Calendar.

We raised **£261.20** for Hearing Dogs for Deaf People.

Thank you very much!

Report

- Work has begun on clearing some of the spine paths. The Hollytrees stream and other areas will commence shortly. The Council has focused on tackling areas of most benefit to most people, and where there is evidence of nuisance/threat to property. Further work from the Tree Survey will commence in the next financial year. Our grateful thanks to the steering group who have given a great deal of time to co-ordinate and steer the programmes.
- People are reminded that organised events planned for the Village Green must receive consent from the Parish Council. Contact the Clerk or Chairman for guidance, especially in regard to your public liability insurance and clashing with other planned events.
- The Council has set the Parish Precept at £128,486 for 2017–18 which represents £1.69 per week, an increase of 8p per week based on a Band D property – proportionally more or less for other Bands (see tax leaflet published with the Council Tax demand from the District Council).
- A14 works is beginning. Public meetings about the proposed route of the A14 and access into Bar Hill, including during construction works, took place at the Village Hall last year. The Council will endeavour to work with Highways England to keep the public informed via websites and notices. Some of the lands around the entrance of the village are under Notice of Compulsory Purchase or Compulsory Temporary Use, including around the former skate park. We understand this is in part for access to services.
- SCDC reports that the applicant has put in an appeal following their refusal to give consent for housing development on part of the hotel land.
- The Council will be reviewing play facilities for children up to teens.
- As Bar Hill celebrates its 50th anniversary, it promises to be a busy year.

The next full **Parish Council meeting** will be held on **Thursday 16th February** at **7pm** in the Parish Council Office. Minutes of the previous month's meeting are on the village notice board. Items for the agenda must be placed with the Clerk at least seven days before.

TESCO Bags of Help

Your chance to bag up to £5,000 for local community projects

TESCO is inviting local community groups, green space projects and other organisations to apply for their share of a £12,000,000 carrier bag charge fund.

The supermarket has teamed up with the charity Groundwork on its Bags of Help initiative, which sees the money raised from the 5p bag levy being used to pay for a large number of local projects to improve green spaces in communities.

Tesco customers will decide on a monthly basis which groups get grants of up to £1,000, £2,000 and £5,000 in regions up and down the country.

It's expected the new monthly format will see more than 100 projects receive vital funding across Cambridgeshire every year. Funding will be awarded to projects that use and develop outdoor spaces in ways that will benefit their local community. We've already seen local groups, schools and charities benefit and look forward to seeing many more exciting projects come out of this initiative.

Find out more about how to bag your share or nominate a good cause at www.groundwork.org.uk/tesco

ENJOY ENHANCED COMMUNICATION WITH YOUR CHILD

Babies are naturally gestural – whether they reach up for a cuddle, bang on their highchair, or clap their hands in excitement, they are predisposed to interacting using their hands. Scientific research has proven that babies are born "connected", meaning that are ready and able to interact. At a "Sing and Sign" class, we teach carers signs through music, which entertains and stimulates the babies. Class sizes are limited to 12 to ensure a sociable and comfortable environment. Signs are mainly based on Makaton – the easiest for babies to understand and copy. Free Taster sessions and classes are available throughout the year at the Bar Hill Octagon and around Cambridge. For more visit: www.singandsign.com, E: singandsigncambridge@yahoo.com, T: 07732 380191.

A HAPPIER CHRISTMAS FOR HUNDREDS OF FAMILIES

In late 2016, residents of Hanover Close joined the "Reverse Advent Calendar" project for the Cambridge Foodbank, by donating Christmas crackers/cakes, tins of tuna/salmon/ham, dried fruit, meat/fish paste, mayonnaise, Yule logs, nuts, jam, pickles, selection boxes, crisps and chocolate biscuits, and shower gel.

The project was supported the enthusiastically and on 10th December, Rachel Slater, Estate Manager, along with her son Jacob, delivered six full advent hampers. The foodbank was delighted and reported that six families would have a brighter Christmas thanks to residents' generosity.

The project was a huge success, with a further 35-plus hampers being donated via Bar Hill Church.

Almost 270 hampers were delivered around South Cambridgeshire. The organisers were so grateful for the enthusiastic support they received.

The foodbank provides help to vulnerable families all year round and is always desperate for donations. For more information: https://cambridgecity.foodbank.org.uk/

INTERNATIONAL WOMENS' DAY

The Office of the Police and Crime Commissioner is working with Cambridgeshire Constabulary to create an event for International Women's Day on 8th March 2017. The theme will be around bringing communities together with a particular focus on keeping you and your community safe. The event will be designed around what women tell us are the issues of greatest concern to them and what they would like to learn more about.

We are asking individuals and women's groups across Cambridgeshire and Peterborough to get in touch and let us know what issues affect you and your local community. What information would empower you to make a change and what areas would you like more information about, to increase your understanding of these issues and what you could help do to resolve them. Themes could include domestic abuse, cyber security, safeguarding children and adults, inequality and community cohesion.

We want as many communities as possible from all walks of life to get involved not only in helping us plan the event but in encouraging as many women as possible to attend.

If you have any suggestions, or would like to be a part of the event, please contact Sarah Morgan: sarah.morgan@cambs.pnn.police.uk

— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place. We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly & inviting 'Little Bunnies' sessions, Tuesdays (£2 per child max £3, under 1's £1) & Thursdays (£2.50 per adult under1's £1) in the Church Octagon 9.45–11.15am term time. — NEIGHBOURHOOD WATCH —

Well done, Bar Hill! The police were pleased with the turn out to their Operation Hunter event in December, designed to tackle last winter's increase in crime.

Good questions were asked during the presentation and plenty of home security devices were sold.

Among all the advice given, Sergeant Rabel particularly stressed:

1 Make your house appear lived in ***whenever*** you are out e.g. use timer switches for lights, and Simulated TVs (a small unit with bright LEDs of varying intensity and colour which mimic a real TV).
2 Report ***any*** concerns, suspicions or incidents on 101, the non-emergency line (though 999 for crimes in progress or where life is in danger). We know our area best and the police rely on our reports to detect current or emerging patterns of crime.

About a dozen police were also out around the village calling on residents to offer advice and Home Security checks. It is still possible to request a Home Security check or buy any of these devices: • Timer switches: £2; • Simulated TVs: £10; • Window alarms: £2; • Shed alarms: £8.

Contact Rachel Carr, Crime Reduction Officer: rachel.carr@cambs.pnn.police.uk or ring 101.

Bad Wolf Test – have you done this yet? A series of quick questions will indicate how secure your house is against burglars and rate it brick, twigs or straw (as in the 3 little pigs story). Take the quiz at http://tinyurl.com/bad-wolf-test or, if you don't have access to a computer, ring 101 and ask for advice from our Crime Reduction Officer.

Let's all continue to help build a safer and stronger community in Bar Hill by taking care of ourselves and our neighbours.

Pam Vendy, NHW Village Co-ordinator

— COUNCILLOR NOTES —

Changes to bin collections – shared bin services with the City Council will make changes to bin collections. The proposed changes will affect 82% of households across the district but will contribute to customer service improvements and the rebalancing of staff workloads and will deliver agreed savings and efficiency targets. The plan includes posters, website notification and delivery of a four-page leaflet to all households early in February. The portfolio holder also approved changes to fees and charges for fly tipping fixed penalties. Previously there has been no fixed fee for fly tipping offences in legislation and offences have been dealt with by way of referral to Court or as an 'offence of depositing litter' which carries a maximum fine of £100. During the period April to November 2016 officers issued 13 fixed penalty notices and 4 official cautions and there have been 7 successful court convictions. There will be a new offence of fly tipping under the appropriate sections of the Environmental Protection Act 1990. Penalties will be a £400 fine [reduced to £240 if paid within 10 days]. The maximum penalty on conviction will be a custodial sentence of up to 5 years and notably the maximum fine for this type of offence is not limited in either the magistrates or crown courts.

Have you heard of the Repair Café?

South Cambridgeshire's first repair café of 2017 has been hailed a success with many local residents getting broken items fixed instead of buying replacements in the sales. The event, held in Girton on Sunday, saw a team of multi-skilled volunteers give a number of damaged and broken household belongings a new lease of life, including three bikes, two vacuum cleaners, four Scalextric cars, a clock, radio, dehumidifier, and moth damaged jumper.

The next repair cafés scheduled to take place include:

- Community Centre, Cottenham, Saturday 4th February, 10am–2pm;
- Market Hill Rooms, Royston, Sunday 5th February, 10am–1pm;
- St Andrew's Centre, Histon, Saturday 4th March, 10.30am–1.30pm;
- Free Church, Sawston, Saturday 25th March, 2–5pm.

If you have any tired or broken items needing a new lease of life, from small household appliances, electrical items, computers and mobile phones to bicycles, clothes, gadgets and general bits 'n' bobs, book them in to be sure of a slot, or just turn up on the day.

For more information on any of these events including how to book items in for repair, please visit www.repaircafe.org.uk.

We wish all residents a Happy New Year. Please contact us if you should need any information or queries please do contact us:

— HEIDI ALLEN MP —

A Happy and Healthy New Year to you all!

In the twilight of 2016 I visited the Blood Donation Centre in Long Road, Cambridge for my first ever donation. It was utterly painless, parking was free and I had my choice of biscuits afterwards! Giving blood is easy and quick – I was in and out in less than an hour – and it saves lives. If you can donate, please go to www.blood.co.uk or phone 0300 123 23 23 to book an appointment.

The Christmas period gave me time to visit the Cambourne Foodbank, a poignant reminder that Christmas isn't easy for those struggling with basic needs. It is open every Thursday from 10am–midday at the Old Blue School on Eastgate. You can find out how to apply for a voucher here: https://cambridgecity.foodbank.org.uk/get-help/foodbank-vouchers/. The Foodbank is run by kind, dedicated volunteers whom I'm hoping to work with more in the future, unlocking some of the housing and benefit difficulties that are often at the heart of food poverty.

I'm delighted to share the launch of Cambridgeshire County Council's Communities Innovation Fund which gives community groups the opportunity to apply for funding for initiatives which improve lives. If you know of a scheme that enhances your community and helps people stay safe and independent, please see www.cambscf.org.uk/ccif.html for details of how to apply.

December saw the publication of the National Schools Funding Formula from the Department of Education. I'm still analysing the data and will be writing to my schools for feedback on proposals. If you want to contribute, please make your views heard here https://consult.education.gov.uk/funding-policy-unit/schools-national-funding-formula2/. The consultation closes on 22nd March 2017.

Turning to buses and trains, I'm inviting constituents to contact me about any issues they have with existing public transport services. I have been contacted by a number of residents about unreliable services, so if you too have experience of this, please contact Nicola Gillam – details below.

My 'no appointment' surgeries are proving increasingly popular so if you feel I could help, don't hesitate to pop along. Details at: www.heidisouthcambs.co.uk/residents-drop-surgeries; phone 01954 212707 or e-mail: heidi.allen.mp@parliament.uk.

Our ethos is to ensure high quality care by focussing on each child's ability and interests. Our key person and buddy system enables our team of highly qualified staff to plan activities to reflect all the needs of our children.

We offer fully flexible care between **9am–3pm**, for children aged **2–5yrs** and are registered for Nursery Education Funding (NEF) as well as the government scheme **'Funded 2's'**. Please get in touch with Sarah or Michelle to arrange an informal visit.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to discovering worms, ladybirds and other creatures that share the area at the setting. We are proud to offer many additional learning experiences for your child with regular visitors to the setting as well as exploring the community around us.

The setting is intimate and comfortable and provides a safe environment for your child to learn and develop with their peers. The indoor area has a quiet corner for reading as well as a range of toys and equipment for your child to discover. We have strong ties with the community through visits to local businesses, the library and the church.

Parent/Carer Partnership

From September we are introducing **Online Learning Journals** where each parent can follow the development of their child in words and pictures via a secure login. Please contact us on the above telephone numbers or: enquiries@barhillpreschool.co.uk

Our setting manager as well as session allocation coordinator, Sarah, and her deputy Michele are always on hand to support you through the registration process. We look forward to meeting you and your child.

— BAR HILL VIXENS —

The vixens are in their 5th year now and, on the whole, have been quite successful. Their success has been rewarded by being put into the A league in the S-Tech Girls Under 14 Division, and they haven't let themselves down.

They recently had a cup game against Cambridge City (a very good team). We could only field 8 players due to illness/holiday, so City manager, Gemma, very sportingly decided to play 8-aside instead of fielding her full 9.

What happened next was the most fantastic game the girls had ever played! Five minutes in and we're 2–0 up. City peg us back to 2–2 then go 3–2 up. On the stroke of half time we get a penalty which is converted by Issy Bryant: 3-3 at half time. We struck again twice in five minutes in the second half: 5–3 up. City came back to 5–5 with little more than a minute to go. Then Georgia Wilson buried the ball in the City net! 6–5 winners!!

The whole team, from defence and goal (Olivia, Charlie, Freya, Alisha), midfield (Amber, Issy, Rhiana), and our lone striker, Georgia, were FANTASTIC!!

The girls now have a semi-final cup game at home against Linton. Bring on the final!

— COUNTY COUNCILLOR REPORT —

I have been asked whether, post devolution, the County Council has plans to control bus services under a franchise model. Any decision to implement a franchise model would be made by the Combined Authority for Cambridgeshire and Peterborough and not by the County Council. However our MP, Heidi Allen, has been gathering feedback from across the district on what local concerns are regarding bus services [or the lack of them]. On a related subject: tackling congestion in Cambridge, I remain opposed to a congestion charge that would disproportionately affect South Cambridgeshire residents accessing the city whilst doing nothing to address the contribution to congestion made by city residents. Any such charge must be part of a wider strategy to ensure that our villages have options other than driving and must include better bus services.

It's the time of year for cold and icy conditions. Please to look out for others, particularly the more vulnerable members of our community, and take extra care yourselves too. Anyone eligible should seek entitlements and benefits such as Winter Fuel Payments and Cold Weather Payments. Older and disabled people can also sign up to their utility supplier's Priority Services Register to get extra help and support with energy supplies. This includes advance notice if the supply is going to be interrupted and priority reconnection. To sign up, you need to contact your supplier and, if you have different suppliers for gas and electricity, you need to contact both.

Members of the County Council's Health Committee had a presentation from the ambulance service recently. Although the headlines say that national response times are not being met, locally the service is exceeding targets. The committee also receives regular briefings on the Sustainability & Transformation Plan for Cambridgeshire & Peterborough. The NHS and local government have come together to develop a plan to keep the service 'Fit for the Future'. A Public Involvement Assembly has been set up to encourage wider involvement. Anyone wishing to join can phone: 01223 725304 or e-mail [with Public Involvement Assembly as the subject]: capccg.contact@nhs.net.

If you'd like to know more about what's happening at the County Council, please let me know and I'll add you to the circulation of the full report I write monthly for parish councils.

— NEW YEAR BULLETIN — CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Looking for something new to do in 2017? Cambridgeshire Fire and Rescue Service is looking for volunteers in your area to join our successful Community Champion scheme.

The scheme is run by the charity Groundwork on behalf of CFRS. Community Champions encourage local residents to carry out fire safety checks in their homes, visit community groups and educate about fire safety and escape plans.

You will be trained, given a uniform. There are a wide range of activities to choose from, all of which will help to keep our communities safe from the risk of fire. No previous qualifications or specific skills are needed.

To find out more about the scheme, contact Katie Dean on 01480 587140/07736 132870 or e-mail katie.dean@groundwork.org.uk.

On-call firefighters are a vital part of today's fire and rescue service, providing an efficient, effective service that gives emergency cover to more than 90% of the UK. In Cambridgeshire they make up 56% of the workforce. An on-call firefighter is not based at a fire station but carries a pager and responds to emergency incidents as and when they happen.

They receive an annual wage to reflect the time they commit to being available, plus additional payments for attending incidents and drill nights (two hours a week).

On-call firefighters may have other jobs and are able to provide evening, daytime or weekend cover. When they are on-call they may be at home, working for themselves or for a nearby company or out in their local community – staying within a five-minute travel time of the fire station – and are generally located in rural communities, small towns and villages.

If you would like to become an on-call firefighter, or to find out more, go to our website: www.cambsfire.gov.uk and search for 'on-call firefighter' under 'careers section'.

For the latest news, incidents and safety advice or to contact us, log on to the website, sign up to e-mail alerts, or find us on Twitter, Instagram, YouTube and Facebook.

And don't forget to make a New Year Resolution to test your smoke alarm – and that of your elderly relatives – once a month by pressing the 'test' button on the device.

To find out if you are eligible for a free home fire safety check please visit the website.

At time of writing we are preparing for a Royal visit by the Duke of Gloucester in celebration of Bar Hill's very special 50th anniversary. We are all very excited as the visit reminds us that Bar Hill is an important community on a national and international level while also being a lovely village in which to raise a family. No doubt there will be wonderful photos showing our children enjoying a memorable afternoon that they will remember for the rest of their lives. Members of the community can enjoy the photos through our Facebook page or at the bottom of the homepage on our website.

Along with the anniversary celebration, we will also be enjoying a performance of world-class magicians from the magic circle in order to raise money for a play area in memory of Dawn Miller who died last year. This magic event will take place on **Friday 10th February** from **6.30–8.00pm** in the main church.

Dawn was a model of our school values and showed the children how to play and have fun with tremendous kindness and love. The school misses her, and so we have decided to ensure that Dawn's work continues by creating a school play area in her memory.

If you would like to contribute towards the 'Dawn Miller Memorial Fund' or attend the event, tickets will be available from the school office from **Wednesday 1st February**. The cost is £10 per adult and £5 per child.

Finally, at school we very much value volunteers from the community who regularly come to the school to read with the children and support them in lessons or maybe you could advise/help us develop a school vegetable garden this spring.

If you would like to volunteer at the school, please contact us at head@barhill.cambs.sch.uk to arrange an appointment to visit and find out about the opportunities at the school.

Best wishes

Dr Al Mistrano, Headteacher
